

## **Drug & Alcohol Education Class**

This 15-hour course is required for individuals with a misdemeanor drug charge authorized by the Judge or District Attorney's Office for dismissal upon successful completion. Participants are given the opportunity to examine the consequences of alcohol and drug use in their lives, get facts about alcohol and drug use in order to make better informed choices, consider the benefits of living a drug-free lifestyle and learn about available resources if they choose to seek further help.

### **What you should know!**

We offer weekday and weekend class schedules.

Upon successful completion of the program, you will be given a certificate of completion to take to court.
